As you are aware, Chennai Unified Metropolitan Transport Authority (CUMTA), an Authority under Government of Tamil Nadu with a mandate of an institutional coordination mechanism among all Agencies/departments involved in Urban Mobility in Chennai Metropolitan Area (CMA); is actively contributing easing of traffic congestions in the city.

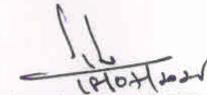

2. Our main focus is promotion of Public Transport as well as shared Transport which will shift the commuters from personal vehicles to PT/IPT so that the limited road space available is effectively used. Towards realising this objective, CUMTA is finalising the Comprehensive Mobility Plan for 25 years, City Logistics Plan and Bus Improvement Plans etc., duly consulting all stakeholders. We intend to launch Journey Planner cum Integrated Ticketing by August 2025.

3. We are Happy to learn that the All-Omni Bus Owners Association (AOBOA) is organising the "Passenger Vehicle Expo 2.0", scheduled on 31st July - 2nd August 2025 at Chennai Trade Centre, Nandambakkam, Chennai 600069.

4. It is understood that the main theme of this expo is "Experience the Future Mobility". **CUMTA hereby extends its warm Wishes and Support for the success of this Passenger Vehicle Expo 2.0.** We convey our consent to use our Logo without any financial implications and this support is purely for knowledge sharing & promotion of Public/shared Transport.

Subject: Collaboration as Knowledge Partner for Passenger Vehicle Expo

Dear Sir,

I am writing to you on behalf of ITDP India to express our sincere interest in collaborating with the All Omni Bus Owners Association (AOBOA) as a knowledge partner for the upcoming Passenger Vehicle Expo, scheduled to take place from July 31st to August 2nd in Chennai.

ITDP India is a knowledge partner and has an active MoU with the Bus & Car Operators Confederation India (BOCI) to technically support them in accelerating India's private bus electrification.

As the knowledge partner for the event, ITDP India aims to support the event by participating and facilitating knowledge-sharing sessions and panel discussions. Our team of experts is well-equipped to provide comprehensive information on sustainable and efficient transportation practices, particularly in the context of passenger vehicles and urban mobility. By aligning our expertise with the objectives of the Passenger Vehicle Expo, we aim to create an environment that fosters the exchange of ideas and promotes sustainable practices within the transportation sector.

Institute for Transportation and Development Policy (ITDP) is a global non-profit organisation that works with cities worldwide to design and implement high-quality transport systems and policy solutions. Since 2021, ITDP has been represented in India by ITDP Pvt. Ltd. ITDP's support to AOBOA will be on a pro-bono basis. Please note that ITDP India's support will be provided exclusively as a knowledge partner and will not include any financial sponsorship for the event.

We are excited about the prospect of working together to make a meaningful impact on the future of passenger vehicle transportation.

Yours sincerely,

Letter No.12 /CMD SR / EXPO'23 - AOBOA/Consent/

Dt: 22.07.2025

To

Dr.A.Anbzhagan
President
All Omni Bus Owners Association (AOBOA)
Chennai - 600 102

Dear Sir,

Greetings from the Director, CMD SR !

**Sub: CMD SR – Consent Letter to AOBOA’s Passenger Vehicle EXPO
JUL - AUG 2025 – As Knowledge Partner - Reg.**

Ref: Ref. Letter No. AOBOA, Dt: 10.07.2025 to the Director, CMD SR.

With reference to the letter cited I express sincere gratitude for inviting our ‘Centre for Multi- Disciplinary Systems Research’ (CMD SR) CEG, Anna University Chennai -25 as the knowledge partner in the “**Passenger Vehicle Expo 2025**” which is being organized by ‘All Omni Bus Owners Association’ (AOBOA).

In this regard I am happy to confirm our consent that CMD SR, Anna University would involve by way of possible participation not only with its fullest potential but also inviting other relevant domains such as Transportation, Energy, Environment, Economy, Climate Change/Disaster Management Planning/School of Planning and newly formed centers such as CCS/CIoT/CAR/C-WISD/CAInDRA/CIT/CEST/CEVT and so on and so forth.

Being a multi-disciplinary centre we are pleased to invite all the relevant domains as well since the passenger vehicle plays a very crucial role in providing sustainable transportation facilities in a country like ours with state of art technology. Participation would be in the form of B.E, M.E/M.Tech/M.S./Ph.D./PDF Scholars to attend Expo as delegates and involving faculty members as presenters/moderators in their concern domains. More over domain experts would to exhibit their research work/proto type models/process with their vision /mission statements and pamphlets in the Expo.

Looking forward for fruitful & multi-domain interactions as the knowledge partner in the Expo.

With Best Regards

Director, CMD SR

On behalf All Omni Bus Owners Association, We are writing to express my wholehearted support, on behalf of the All Omni Bus Owners Association, for the Passenger Vehicle Expo 2023. As the office bearers of our esteemed association, we are proud to endorse this significant event that plays a pivotal role in showcasing the latest advancements, innovations, and trends in the passenger vehicle industry.

The Passenger Vehicle Expo has consistently proven to be a platform that fosters collaboration, knowledge sharing, and networking opportunities among industry professionals, manufacturers, and stakeholders. Our members have greatly benefited from past editions of the expo, gaining valuable insights into emerging technologies, sustainable practices, and business strategies that have contributed to the growth and success of our businesses.

In today's dynamic and rapidly evolving automotive landscape, staying abreast of industry developments is crucial for the sustainability and competitiveness of our businesses. The Passenger Vehicle Expo '2023 not only provides a comprehensive overview of the latest vehicles, components, and technologies but also facilitates meaningful discussions and interactions that are instrumental in shaping the future of our industry.

Furthermore, the expo serves as an excellent platform for businesses to showcase their products and services to a diverse audience. It allows our members to explore new partnerships, collaborations, and business opportunities, fostering a spirit of innovation and growth within our association.

We commend the efforts of the event organizers in curating a program that addresses the current challenges and opportunities in the passenger vehicle sector. The line-up of expert speakers, interactive sessions, and the exhibition of cutting-edge products are a testament to the commitment of the Passenger Vehicle Expo in promoting excellence and advancement in our industry. As all the stakeholders of the All Omni Bus Owners Association, we pledge our full support to the success of the Passenger Vehicle Expo 2023. We look forward to actively participating in the event, engaging in fruitful discussions, and seizing the opportunities for growth and development that this expo undoubtedly offers.

Thank you for your dedication to advancing our industry, and we wish you great success in organizing another impactful Passenger Vehicle Expo.

Yours Sincerely

ALL OMNI BUS OWNERS ASSOCIATION

**யாதும் ஊரே யாவரும் கேளிர் (Yadhum Oore Yavarum Kaleer) -
"Every town is our own, and all the people in it are our kin."**

To realise the above thought one needs to travel and the major contributor towards commuting people between cities and states in India are Omni buses.

The Passenger Vehicle expo is truly a collaborative event where forward thinking individuals and companies come together to showcase the latest advancements in technology and design pertaining to passenger vehicles.

As participants, you are integral to the vibrant tapestry of this event. Your expertise and enthusiasm will undoubtedly contribute to the overall success of the expo. Make the most of this opportunity to connect with industry peers, discover new trends, and forge partnerships that will drive our collective vision forward.

We hope that your experience at the Passenger Vehicle Expo is not only professionally enriching but also personally rewarding. Thank you for being a part of this exciting journey, and we look forward to witnessing the positive impact of your contributions.

Yours Sincerely
